Homework DBeaver IDE for SQL Queries

Please go over the note "1b_dbeaver.html" to learn how to Download and install DBeaver Community at: https://dbeaver.io/download/

Use DBeaver for all of these exercises.

1. What is the mean temperature for flights from each airport?

2. What is the average number of flights from each airport per day in January?

3. What are the top destinations for each airport?
